## Opia Trade-In Terms

1. This device trade-in programme (**Trade-In Programme**) is a service provided to you (**you** or **Participant**) by Opia Limited (whose registered address is at Suite 3, Second Floor, Friary Court, 13-21 High Street, Guildford, Surrey, GU1 3DG) (**Opia, we, us**), as part of a service that Opia provides to Google Commerce Ltd (whose registered address is at 70 Sir John Rodgerson's Quay, Dublin 2, Ireland)(the **Promoter**). The Promoter is responsible for any Promotion Reward to which you may be entitled under the Google Promotion Terms, but the Trade-In Programme is operated by Opia and these Opia Trade-In Terms are between you (Participant) and Opia only.
2. Subject to full compliance with these Opia Trade-In Terms and the Promotion Terms, Participants who submit a Qualifying Trade-In (as defined below) will be eligible to receive a cash payment for the value of their Qualifying Trade-In (depending on its condition) paid directly to their bank account (**Trade-In Payment**). Participants may also be eligible to receive the applicable Promotion Reward (as defined in the Promotion Terms) in addition to any trade in payment for the value of their old device, in accordance with the Promotion Terms above. The Trade-In Payment and the Promotion Reward (together the **Combined Payment**) will be paid together by Opia.
3. In order to be eligible for the Trade-In Programme, Participants must:
  - a. be an individual (not a business) over the age of 18, legally resident in the United Kingdom. The postal address included in the Claim form must be a residential address within the United Kingdom and will be used for any return of the Trade-In Device; no forwarding addresses are permitted;
  - b. trade in their old device which must be an eligible model listed in Table 1 below (**Trade-In Device**). Participants must comply with these terms and the instructions set out at <https://reward-promos.com/summertradein> (**Claims Website**). To be eligible for the Trade-In Programme, the Trade-In Device must also meet certain criteria as described below (**Acceptance Criteria**) in order to be considered a qualifying trade in (**Qualifying Trade-In**);
  - c. possess an active bank account valid in their own name and denominated in GBP; and
  - d. submit a valid claim (**Claim**) during the Claim Period in accordance with the Promotion Terms above.
4. After you complete the trade-in questions on the Claims Website, you will be provided with a provisional approval which will include the estimated trade-in value for your selected Trade-In Device (the **Provisional Trade-In Value**). The Provisional Trade-In Value is subject to Opia's inspection performed after receipt of the Trade-In Device and the amount of the actual Trade-In Payment payable to you will be determined by the condition of the device.
5. By completing the trade-in questions and submitting a Claim, you are offering to enter into a contract with Opia. Your contract with Opia will be formed when we send you the provisional approval (described under paragraph 4 above) and will incorporate these terms.

### **Acceptance Criteria and device requirements**

6. In order to be eligible for the full Provisional Trade-In Value, the Trade-In Device must:

- a. be an eligible model listed in Table 1 below;
- b. match the description provided by the Participant when submitting the Claim;
- c. be in full working condition, i.e. must power on and be fully functional;
- d. be complete with battery;
- e. have no cracks to the screen or other damage (including water damage) to the device, but reasonable wear and tear may be accepted; and
- f. be unlocked and factory reset with no biometric or personal data and not linked to any personal accounts,

(collectively the **Acceptance Criteria**).

7. At the time of trade-in, the Participant must be the sole owner of the Trade-In Device and the Trade-In Device must not be reported as lost or stolen. The Trade-In Device must not be counterfeit. Participants must remove all accessories, covers, cases, locks, SIM cards and memory cards before sending the Trade-In Device. Any such items sent with your Trade-In Device will not be returned and will be considered abandoned by you.
8. Before sending us the Trade-In Device, all personal accounts must be removed and any connected devices such as smart watches must be unpaired. The Participant must remove all data, including all confidential and personal data from the device by resetting the device to its factory settings, following the manufacturer's instructions. Failure to comply with these conditions may result in the associated Claim being rejected.
9. It is the Participant's responsibility to back up any data that the Participant wishes to keep. If Opia receives a Trade-In Device that is locked and/or not cleared or wiped of personal data, the Participant authorises Opia, at its sole option to either: (i) return the device without removing the data or (ii) remove and destroy any SIM card or memory card left in the Trade-In Device and perform a factory reset and data wipe on the said device. Under no circumstances will Opia or the Promoter be responsible or liable for any direct or indirect loss or damage or loss of use of any data remaining in the Trade-In Device which the Participant failed to remove, or which arises as a result of Opia destroying or removing the data.
10. Participants must not include a damaged battery when trading-in the device. If the device exhibits a damaged battery (for example, is leaking fluid, is too hot to touch or the device casing is swollen), it will not be eligible for trade-in and must not be sent to Opia. Please note that for safety reasons Opia cannot return devices with damaged batteries (e.g. battery swelling) and that no value will be paid or credited for such devices.

### **Instructions and Claims processing**

11. Upon receipt of a valid Claim, Opia will send a notification of acknowledgement and provisional approval to the email address provided and Participants will be given instructions on how to dispatch their Trade-In Device (**Instructions**). If such an email acknowledgement has not been received, the Participant must contact Opia's customer service team by email at [summertradein@reward-promos.com](mailto:summertradein@reward-promos.com) or by phone (0330 822 1032) within seven (7) days of the Claim being submitted. Failure to do so will result in the Claim being rejected. Participant may lodge a new Claim, provided it is submitted within the Claim Period as defined in the Promotion Terms.
12. To ship their old Trade-In Device, Participants will be provided with a prepaid postage label upon receiving provisional approval of their Claim. Prepaid postage labels will be provided electronically and the Participant is responsible for printing the label. Participants must dispatch their Qualifying Trade-In within fifteen (15) days of receipt of the prepaid postage label (**Trade-In Window**). Failure to dispatch within the Trade-In Window may result in the associated Claim being rejected.

## Rejected Claims and lowered Trade-In Payments

13. Where the Trade-In Device does not meet the Acceptance Criteria, the Claim will either be rejected or the Participant may be emailed to be offered a revised lower Trade-In Payment. If the Claim is rejected then, save where the Trade-In Device is ineligible for return as set out in paragraph 10, the Trade-In Device will be returned to the Participant at the address provided.
14. If a lower Trade-In Payment is offered, the Participant will then have fourteen (14) days to accept or decline the revised Trade-In Payment offer (**Revision Period**). If the Participant does not reply within that period, the revised Trade-In Payment will be deemed accepted and the Opia will automatically process the reduced Combined Payment. If the Participant declines the revised Trade-In Payment there will be no Promotion Reward or Trade-In Payment due, and the Trade-In Device will be returned to Participant at no extra cost or may be recycled upon request by emailing [summertradein@reward-promos.com](mailto:summertradein@reward-promos.com). This request must be submitted to Opia within ten (10) days from receipt of the Participant's rejection notification via email, as otherwise the Trade-In Device will be returned to the Participant.

## Payment of Combined Payment

15. The Participant will receive an email confirmation of a valid Claim (**Validation Notice**) either:
  - a. within ten (10) days of a Qualifying Trade-In being received by Opia; or
  - b. after the Revision Period has elapsed and no notice of rejection has been received,(as applicable). The Validation Notice will be followed by payment of the relevant Combined Payment via bank transfer to the bank account nominated during the Claim process within thirty (30) days.

## Risk and ownership

16. Responsibility for loss or damage to the Trade-In Device will transfer to Opia once we receive the device at the address specified in the Instructions. Notwithstanding this, Opia will not be liable or responsible for any risk related to Participant sending a device that has any battery damage including but not limited to as described in paragraph 12 above. It is the Participant's responsibility to ensure the Trade-In Device is securely packaged, and Opia accepts no liability if the device is lost or damaged during shipping. If the Trade-In Device is damaged in transit this may result in the associated Claim being rejected or the Participant may be emailed to be offered a revised lower Trade-In Payment.
17. In sending Opia a Trade-In device, you confirm that you own the Trade-In Device and you agree to transfer the same to Opia. Ownership of your Trade-in Device will transfer to Opia upon inspection of the Trade-In Device by Opia except for those devices that are ineligible for the Trade-In Programme.
18. Opia reserves the right at its absolute discretion to disqualify Claims which it reasonably considers to be fraudulent or that do not comply with these Opia Trade-In Terms. Opia shall have the right, where necessary, to undertake all such action as is reasonable to protect itself against fraudulent or invalid Claims including, without limitation, to generate or require further verification as to proof of purchase, as well as the identity, age, and other relevant details of a Participant.

19. Participants should be aware that the Trade-In Device they ship may be checked by Opia to confirm it is not a lost or stolen device, and where such processes reveal its history involves criminality or fraud the device will be rejected and appropriate steps may be taken to inform the relevant authorities.

**Other important terms**

20. Participants will be solely responsible for any and all applicable taxes and any other relevant costs or expenses which are not stated in these Opia Trade-In Terms as included in the Combined Payment.

21. These Opia Trade-In Terms shall be governed by the laws of England and Wales.
